

DETAILS

Dimensions:	Length L.O.A	23.15 m (75.95')
	Length W.L.	16.77 m (55.03')
	Beam	5.816 m (19.08')
	Draft – board up	2.15 m (7.07')
	Draft – board down	4.73 m (15.5')
Displacement:	49,295 kg	(108,676 lbs.)
Year Built:	Delivery January 2010	
Builder:	Friendship Yacht Company, New Zealand	
Designer:	Fontaine Design Group	
Interior Designer:	Fontaine Design Group	
Construction:	Maritime Coastguard Agency MGN 280 “Small Vessels in Commercial Use for Sport or Pleasure, Work Boats and Pilot Boats”	

SAILS

Inventory:	Built by Doyle Sails	
	Mainsail: 149.0 sq. m (1604 sq. ft.)	
	Genoa: 136.9 sq. m (1474 sq. ft.)	
	Asymmetrical: 373.0 sq. m (4015 sq. ft.)	

SPARS, RIGGING & SAIL HANDLING

Mast and Boom:	Carbon fiber mast from Hall Spars and carbon fiber boom with Oceanfurl in-boom furling system	
Rigging:	Navtec	
Furler:	Reckman RF 90-3	
Deck Gear:	Antal / Lewmar	
Winches:	4 Lewmar two speed electric winches (primary / secondary)	
	2 Lewmar two speed hydraulic winches (foredeck / mast)	
	2 Lewmar two speed hydraulic captive winches (main sheet and main halyard)	

MACHINERY

Main Engine:	1 x 250 HP Lugger diesel engine type 1066 H	
Gear Box:	Twin Disc, type MG 5075 A	
Propellers:	Bruntons Varifold 4-blade, 32”	
Rudder:	Composite skeg hung rudder blade over a PVC foam core with a round carbon fiber rudder stock	

AUXILLIARY MACHINERY & ELECTRICAL SYSTEM

Generators:	Northern Lights 20 kW M 844 LW 2	
Electricity:	120 / 240 VAC single phase, 60hz	
Batteries:	2500 Amp Hr 24VDC	

TANK CAPACITIES (approximate)

Fuel:	2384 liters (542 gals)
Water:	1673 liters (442 gals)
Hot water:	88 liters (20 gals)
Black and gray water:	176 liters (80 gals)

ANCILLARY EQUIPMENT

Steering System: Jefa transmission steering system
 Bow Thruster: Lewmar15KW (20 hp)
 Fuel Filters: Racor
 Bilge Pump: Rule / Whale / Oberdorfer
 Anchor Wash Pump: Groco 7.0 GPM
 Waste Pump: SeaLand T Pump Sani Pump
 Heads: Tecma Silent Plus Short / Tecma Silence Short Cut
 Air Conditioning: Marine Air
 Eight (8) reverse cycle units – 14,000 to 7,000 BTU capacities
 Watermaker Sea Recovery Ultra Whisper Modular 600-1

SAFETY & SECURITY EQUIPMENT

Safety: Two (2) six-man life rafts recessed on aft deck with hydrostatic release mechanism
 Fire Fighting: FirePro 2KG mounted in engine room compartment
 Watertight Bulkheads: Water tight bulkheads are located engine room, forepeak, lazarette

COMMUNICATION EQUIPMENT

Cellular System: Digital Antenna, external and internal directional antennae
 Satellite Fax, Phone & Internet: KHV Trac Phone FB250. KVH satellite with wireless modem
 Vessel ID System: Furuno 24VDC FA 150
 VHF: Icom IC-M504 with HM0162 B/SW remote control

NAVIGATIONAL EQUIPMENT

Compass: Danforth
 GPS: Garmin 5208
 Chart Plotter: 4 x Garmin 5212 radar plotters, 2 mounted in PH nav. station and 2 mounted on steering pedestal
 Autopilot: Simrad AP 26 with two control heads, located at nav. station and starboard of the helm pedestal
 Radar: Garmin GMR 24 HD radome mounted on mast at first set of spreaders
 Digital Sounder: Garmin GSR 22
 Weather Receiver: Garmin Marine Network system interfaced with Garmin GDL 30/30A XM WX / stereo receiver.
 Wind Instruments: B&G Hydra Cruise pack

AUDIO / VISUAL ENTERTAINMENT SYSTEMS

Televisions: 37" LCD Sony Bravia with HD tuner in Main Salon
 32" LCD Sony Bravia with HD tuner in Aft Cabin
 26" LCD Sony Bravia with HD tuner in Forward Cabin
 Television Antenna: KVH Trac Vision M3 01-0279-01, 24VDC
 Stereo: Poly Planar MRD-70 Multi-zone system with XM satellite radio, iPod and multiple zone control
 Speakers: 6 pairs of Poly Planar MA-6500 speakers located throughout interior
 Cockpit Speakers: 1 pair Pioneer TSMR161 Nautica 80W marine speakers

DECK EQUIPMENT

Anchor Windlass: 2 x Lewmar Sprint 3000 windlasses with hydraulic rotating actuator.
 Ground Tackle: 1 x Delta 110 lbs.
 1 x Fortress FX 85
 1 x Fortress FX 23
 350' 1/2" hi-tensile link, galvanized link chain
 30' 1/2" hi-tensile link, galvanized link chain with 200' nylon braid
 20' 3/8" high tensile link galvanized chain with 150' nylon braid

WATER & DOCK ACCESS

Swim Ladder: Custom folding stainless steel ladder

DOMESTIC EQUIPMENT

Galley: 1 x GE Profile Spacemaker II microwave
 1 x Techimpex Marine Range (4 burner)
 1 x Broan SS range hood
 1 x Broan trash compactor
 1 x Fisher Paykel dishwasher
 Refrigeration: Custom insulated refrigerator and freezer boxes with cold plate system in galley
 Laundry: Miele washer and condensing dryer
 Bar: Custom 12 bottle wine cooler with cold plate system in pilothouse

TENDER

Zodiac 12109 MK1 Classic tender with 20 HP outboard engine.

LAYOUT & ACCOMODATION

Aft Cabin: Features a centerline berth with port and starboard settees, custom hanging lockers, bureaus and storage, with a desk located starboard and a mounted flat screen TV to port. There is a private head with separate shower.
